Just say NO to Baby Einstein By Michael Mendizza Documentary filmmaker, author, multi-media producer, founder of Touch the Future and executive producer of The Nurturing Project Einstein didn't watch videos as a baby. His genius did not come from knowing lots of information. In fact, baby Einstein spoke very little before the age of four.

Aigner-Clark (2004) tells about different emotions a person can have when different things happen to you. I would use this in my classroom. It would help me teach my students to how to feel different emotions and to let them know it is ok to feel happy, sad, and angry at times.
